

**REMARKS**

Claims 7-15 and 24-27 are pending in the present application. Claims 7, 8, 10-15 and 25-27 have been amended. **Claims 1-6 and 16-23 have been previously canceled.**

**Drawings**

Applicant notes the Examiner's acceptance of the drawings as filed along with the present application on October 13, 2000.

**Priority Under 35 U.S.C. 119**

The Examiner is respectfully requested to acknowledge the Claim of Foreign Priority under 35 U.S.C. 119, and receipt of the certified copy of the priority document in parent application Serial No. 09/062,720.

**Specification**

The title has been amended as "METHOD OF MANUFACTURING A SEMICONDUCTOR PACKAGE HAVING SEMICONDUCTOR DEVICE MOUNTED THEREON AND ELONGATE OPENING THROUGH WHICH ELECTRODES AND PATTERNS ARE CONNECTED" to be more clearly indicative of the invention to which the claims are directed, as required by the Examiner. The Examiner is respectfully

requested to approve the amended title, or in the alternative to suggest a more appropriate title.

The abstract has been amended to be more clearly indicative of the invention to which the claims are directed, as required by the Examiner. Also, the CROSS-REFERENCE TO RELATED APPLICATIONS section has been amended to make reference to the copending divisional applications and to update the status of the parent application, as required by the Examiner.

#### **Claim Objections**

The claims have been amended in view of the objections raised by the Examiner on page 3 of the Quayle Action. The Examiner is therefore respectfully requested to withdraw the objection to the claims.

#### **Conclusion**

The claims have been amended responsive to the objections raised by the Examiner in the current Quayle Action. Since the Examiner has acknowledged that the application is in condition for allowance except for the informal matters addressed as noted above, the corresponding amendments to the claims clearly have not been made for the purpose of distinguishing over any cited prior art. Accordingly, the above noted amendments should not be construed as narrowing scope within the meaning of *Festo*.

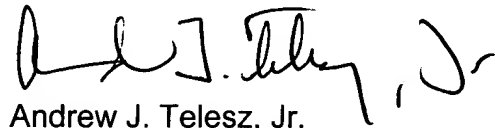

The Examiner is respectfully requested to reconsider and withdraw the corresponding objections, and to pass the claims of the present application to issue, for at least the above reasons.

In the event that there are any outstanding matters remaining in the present application, please contact Andrew J. Telesz, Jr. (Reg. No. 33,581) at (703) 715-0870 in the Washington, D.C. area, to discuss these matters.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment for any additional fees that may be required, or credit any overpayment, to Deposit Account No. 50-0238.

Respectfully submitted,

VOLENTINE FRANCOS, P.L.L.C.
